

# Heritage Council Determinations

## Expedited amendment

On **17 August 2026** the Executive Director recommended that the Heritage Council make an expedited amendment in accordance with section 63(1)(b) of the *Heritage Act 2017*. On **20 August 2026** the Heritage Council gave 28 days written notice to the owners, government asset managers and responsible authorities for the below place, in accordance with section 63(2) of the *Heritage Act 2017*.

The Heritage Council received correspondence from the responsible authority the South Gippsland Shire Council, indicating no objection to the expedited amendment.

On **1 October 2026** the below determination was made by the Heritage Council of Victoria in accordance with section 63 of the *Heritage Act 2017* ('the Act'):

- **Notched Log Cottage, 920 Nyora-Poowong Road, Poowong, South Gippsland Shire (H1987)**

The above place is to be amended in the Victorian Heritage Register ('Heritage Register'), by removing the heritage place from the Heritage Register. In accordance with section 63(1)(b) of the Act the Heritage Council may make an expedited amendment if the amendment relates to a registered place or object which has been destroyed, and the Heritage Council considers that the State-level cultural heritage significance has been lost.

This decision was reached having considered the information included in the Executive Director's statement of recommendation and the correspondence received from the responsible authority.

The Heritage Council's reasons for determining to make the amendment to the Heritage Register are in accordance with the reasons of the Executive Director.
